Sir:

Applicants are in receipt of the Notice of Allowance dated June 26, 2003.

Applicants wish to advise that a properly executed Assignment was submitted in the grandparent application Serial No. 09/169,963, filed October 13, 1998, now U.S. Patent No. 6,006,318, of which the above-identified application is a continuation.

The prior application is assigned of record to:

**MicroUnity Systems Engineering, Inc.
Sunnyvale, California**

Through an oversight the assignment information was not conveyed to the Patent Office at the time of filing.

It is believed that all formalities and requirements correcting this oversight
have been met.

If anything further is needed, please contact the undersigned.

Respectfully submitted,

MCDERMOTT, WILL & EMERY
